Step-by-Step login and Profile Updates

1. Go to the ARO website- www.aro.org
2. On the homepage, locate the ‘Members Only’ box on the right-hand side of the screen

Welcome to ARO
The ARO is the world’s largest organization of hearing and balance researchers.

Members of the Association for Research in Otolaryngology include scientists, engineers and physicians who seek to:
- Understand how the ear and the brain process sound and control balance
- Determine the causes of diseases and disorders of these sensory systems
- Devise new surgical, technological or biological treatments to improve patients’ lives
